Notes from our Principal, Mrs. Simone

I would like to welcome you back for the 2014-2015 school year. I am privileged to have the opportunity to return this school year as your Principal and I am deeply blessed to work with our highly dedicated and passionate staff, our talented students, and all of the supportive parents.

Trinity Lutheran School is destined for amazing things this year. We shall continue to strive for excellence in everything we do. This takes hard work and commitment and it comes from a strong desire to improve how we do things when we see something we can do better. This year, we have completed installation of all SMART boards into every classroom. Our Early Childhood Center is also part of our Technology initiatives and is having a SMART table installed next week. This summer, we have been preparing for the arrival of our new curriculums. We will be using the Journey's Language Arts Curriculum for grades K-5 and the GoMath Curriculum for grades K-8. These two curriculums will provide new strategies to differentiate the instruction for all of our student's needs.

Our teachers have been working hard in preparing their classrooms and lesson plans that promise to make for another exciting and productive year at Trinity.

In an effort to reduce our impact on the environment, this will be our last printed copy of the Trinity Times. I would like to invite you to visit our school's website at www.TrinityLI.org. This will serve as a resource tool for all upcoming events, important reminders and you can catch up with our weekly "Trinity Times" newsletter. Please take a moment to review the items and make note of the events on our school calendar, including the Back to School Nights. Our school calendar can be downloaded to your favorite device for easy reference. In addition, we will continue to send email messages with important reminders.

Once again, welcome back! Let's make it a great year at Trinity Lutheran together!!
