MEMORIAL DAY PARADE 2018

The Trinity Lutheran Band has been invited to participate in the Hicksville Memorial Day Parade. We will be assembling in the Sears parking lot at 8:15 am on Monday, May 28th 2018. The Parade travels down Broadway and ends on the road south of Hicksville Middle School.

All 4th-8th grade band students are expected to participate, orchestra students may participate as well by helping with percussion, flags, and banners. The more people we have marching the better for our school. It's so important that we remember why we are celebrating Memorial Day, and what better way than with a parade.

Dress for the day will be the school supplied T-shirt and either tan shorts, skirt, or pants. Band T-shirt will be given out the week before the parade and should be returned washed the week after.

Please complete the form below and return it to Mr. Stankamp by Wednesday, May 16th
