

Dear Friends,

Music is a very important part of the Lutheran tradition, and the choir has been the traditional leader of this music. Trinity Lutheran Church is truly blessed to have multiple vocal and handbell choirs to enhance the worship experience. Choirs need support though, the support of volunteers to sing or play in them. It is an exciting, rewarding and enjoyable way to serve the Lord and the congregation. I encourage you now, as you read this, to consider making a commitment to one of Trinity's fine vocal or handbell choirs. More importantly, though, make a commitment to yourself and to the creator of your talents, by actively involving yourself in the joys of making music to God. The psalmist wrote, "Sing unto the Lord a new song, for he hath done marvelous things." I encourage you now to do the same.

If you would like to join a choir, or would like more information concerning any of the groups, please fill out the registration slip, check the appropriate box and return it to the church office or drop it in the offering plate.

Please feel free to call me at church (931-2225) or email me (hdevries@trinityhicksville.org) if you have any questions concerning our music program.

Sincerely,

Henry DeVries
Minister of Music
