

Dear Families,

Last week the Kindergarten thoroughly enjoyed their trip to the puppet show *Frog and Toad* performed by Plaza Theatrical Productions. Earlier in the week, the 8th grade visited the Holocaust Memorial and Tolerance Center in Glen Cove as a culminating event of their ELA study. More field trips are being planned as the weather and Covid numbers improve.

We are looking forward to the final weeks of the school year and the special events and activities that are planned. With the warmer weather, our thoughts turn toward the summer. If you are looking for a familiar, fun, and safe summer program for your child, Trinity's Summer STARS Program provides all this and more. Please contact Mr. William Mallon for more information. You can email him at wmallon@trinityli.org

Finally, please continue to check the school's website and Trinity Times for updates and more information about the coming weeks.

Blessings,

Mrs. Leake

Please make note of some important upcoming dates:

- May 11 -- 8th Grade Graduation Photos
