

Curriculum Goals

Toddlers, Nursery, and Pre-K

Trinity's curriculum is designed to help students develop positive academic habits and a love of learning. Daily instruction is focused on skill development, language development, small and large motor skills, math and reading readiness, music and religion. Learning through play is an important part of development in early childhood and students learn through imaginative play and centers. The following skills are learned and built upon from the toddler program to the pre-k program.

Skill Development:

Socialization skills
Listening skills
Physical skills
Language skills
Cognitive development skills
Reading readiness skills

Large Motor Skills:

Walking and running
Skipping and hopping
Jumping and climbing

Small Motor Skills:

Writing
Cutting and pasting
Sewing
Stringing
Painting

Religion:

Bible stories
Prayers and grace
Christian meaning of holidays
Christian songs

Music:

Finger plays
Singing (learning & remembering)
Song and movement
Rhythm instruments

Curriculum Goals

Toddlers, Nursery, and Pre-K

Toddlers

Reading Readiness & Language:

Stories
Nursery rhymes
Poems

Math Readiness:

Colors
Shapes
Counting

Science:

Weather
Seasonal changes
Animals and insects
Trees and plant life
Ocean life

Social Studies:

Pledge of Allegiance
Multi-cultural

Health and Safety:

Nutrition
Parts of the body
Saying NO to strangers
Fire safety

Nursery

Reading Readiness & Language:

Introduction to the alphabet
Sight recognition of first name
Basic sequencing and patterning
Beginning critical thinking skills

Math Readiness:

Colors
Shapes
Number recognition
Basic counting
Measuring
Basic patterning
Beginning sorting
Basic sequencing
Matching

Science:

Weather
Seasonal changes
Animals and insects
Trees and plant life
Ocean life

Social Studies:

Pledge of Allegiance
Multi-cultural
Community helpers

Health and Safety:

Nutrition
Parts of the body and teeth
Traffic safety
Fire safety

Pre-K

Reading Readiness & Language:

Basic letter recognition
Written expression of first name
Sight recognition of first/last name
Basic sequencing and patterning
Basic critical thinking skills
Knowledge of address/phone number

Math Readiness:

Colors
Shapes
Number recognition
Counting
Measuring
Patterning
Sorting
Sequencing
Matching

Science:

Weather
Seasonal changes
Animals and insects
Trees and plant life
Ocean life

Social Studies:

Pledge of Allegiance
Multi-cultural
Community helpers
Historical figures

Health and Safety:

Nutrition
Parts of the body and teeth
Traffic safety
Fire safety
